End: _____

PART III This patient has received information on how and when to use an inhaler and that he or she demonstrates its proper use. Please check either a or b below:

a. The patient is to carry an inhaler during school and during sanctioned events. An additional inhaler, to be used as backup, is needed at the SCHOOL OFFICE in an approved school medication locked box.

b. It is not necessary for the student to carry his/her inhaler during school, the inhaler can be kept in the SCHOOL OFFICE in an approved school medication locked box.
