### **1. Permission for Student to Ride as a Passenger with another Student**

The undersigned parent/guardian of \_\_\_\_\_ hereby grants permission to said student to ride as a passenger in a vehicle driven by another student of The Summit Academy. ### **2. Permission for Student to Transport Himself or Herself to School Events**

This is to verify that \_\_\_\_\_ (student) is a licensed driver and has my permission to drive himself/herself. We understand that qualified students may drive themselves to school events, and may not take passengers other than siblings, unless permission to do so is given below. We hold the school and all of its employees, sponsors, and volunteers harmless, waiving all claims against said school for any injury or damage that may occur in connection with the transportation covered by this permission. We also understand that The Summit Academy reserves the right to revoke the driving privilege for any reason in its sole discretion.

I certify that the above student has liability insurance coverage of at least \$250,000 for the duration of this academic year.

### **3. Permission for Student to Transport Other Students**

This is to verify that \_\_\_\_\_ (student) is a licensed driver and has my permission to drive other students, as the Commonwealth of Virginia allows, to school events. We have signed above giving permission for our student to drive. We also hold the school and all of its employees, sponsors, and volunteers harmless, waiving all claims against said school for any injury or damage that may occur in connection with the transportation covered by this permission.
